Guitar Amp Tubes Guide

Look at the back of any all-tube amp, and you'll see warmly glowing glass bottles in a variety of shapes and sizes. Power tubes (aka output tubes) are typically the biggest ones of the bunch, and they provide the last stage of amplification for the guitar signal before it's delivered to the speakers.

Power Tubes. This is the larger set of tubes visible on your chassis. They are generally of either EL34 type (taller, "British" style tubes), 6L6 type (fatter, "American" style tubes) or occasionally manufacturers like Soldano will use 5881 (a robust military-grade 6L6 equivalent).

A Guide to Basic Tube Amp Maintenance | Guitar World

Try to think of it as a basic vacuum tube guide. 6L6 The 6L6 is a very common power tube that can be found in many iconic amps, both in the British and American camps, although most players would consider it more on the American style of things in terms of sound .

Vacuum Tube Tone Guide | Humbucker Music

The beam tetrode 6550, the standard tube in the Marshall AFD100, is similar to the 6L6 and came to life in 1955. Simply put, the 6550 can be used to create an amp that has a bit more power than with either the 6L6 or EL34. Tonally, it's in the same vain as the 6L6: clean, little distortion and an almost 'glassy' feel.

Know Your Amp: Different Kinds of Tubes - Guitar Pickups ...

The 12AT7 tube is often found in reverb stages or in the phase inverters of blackface and silverface Fender amps in particular. It can be used in the V1 (or equivalent) position in many amps to lower that first stage's gain a little and thereby achieve more headroom and a tighter overall tone.

Vacuum Tubes For Guitar Amps and Hifi Audio | Dougstubes.com

Tube amps. Tube amps preferred by many guitarists for their warm, fat tone and "organic" distortion. Tube amps usually sound louder than solid-state amps of the same wattage and have a definite "feel" that you don't get from solid-state amps. Most tube amps have separate channels that can switch from clean to distorted tones instantly.

Guitar Amp Buying Guide | Sweetwater

It's not cheap but this is an amp for life - it records wonderfully and, despite its comparatively low power rating, is a great gigging amp too.
