### Tufts Dental Pharmacology Review

71 reviews of Tufts University School of Dental Medicine "This clinic is much better than the Harvard clinic. Trust me I know! The student dentists are much better trained and actually know what they are doing. Their instructors are also very strict so they can't really pull any half-ass job on you. You will be getting one of the best and thorough treatments although it might take about 3 hrs."

20 reviews of Tufts University Dental Faculty Practice "I am happy with them so far. I dont like cleaning, but Mark did a great job, taking his time to clean my dirty teeth ;-). I went to faculty dept, the dentist is very nice and very helpful and she told me i have great teeth. I have not seeing dentist for 6 yrs but i know i dont have bad teeth, no cavity , no gum disease, no nothing for sure.
