A change of season always brings excitement! After weeks of grey, cloudy skies the slightly warmer weather definitely has me yearning for Spring! This past week, in between the scattered raindrops, RH and I have been observing the damage to our garden from the hard freeze. In southeast Texas, we usually have fairly mild winters. ...

Garden Up - YouTube

Pot up perennial divisions for spring plant swaps. Sink the pots into the ground this fall and they'll be one less chore in the spring. (An empty spot in the vegetable garden is perfect for this. By the time you're ready to plant vegetables next spring, it will be time to lift the pots.) Plant trees, shrubs, and perennials now, so they can take ...

Elvis Presley - In The Garden Lyrics | Genius Lyrics

Garden fences are prime real estate for many of my experiments, so I'm not willing to give them all up to the chickens! Raised Beds, Lowered Chickens Finally, if you're looking for an easier way to let poultry have their fun and do a little pest-control work while they're at it, put them around your raised beds .

Chickens in the Garden: What You Need to Know | Gardener's ...

It's nice to see that in the garden! The fence garden is filling in. This location gets the run off from the house and has been difficult for me to develop since it is in an out of the way spot, but I persevere and my efforts are finally paying off.

National Gardening Association. Read articles about vegetables, flowers, and herb and much more.

The National Gardening Association

Garden design is the process of creating plans for the layout and planting of gardens and landscapes. Gardens may be designed by garden owners themselves, or by professionals. Professional garden designers tend to be trained in principles of design and horticulture, and have a knowledge and experience of using plants.
